

Welcome

Year 1

Badbury Park Primary
School

The Blue Kite
Academy Trust

Meet the Beech Tree Class Team (Year 1)

Teacher
Miss Ahmed

Teaching Assistant
Miss Harvey

Meet the Pine Tree Class Team (Year 1)

Teachers
Mrs Stutt
Mrs Cannings

Teaching Assistant
Mrs Magiera

What uniform does your child need in Year 1?

School uniform:

- Grey school jumper/cardigan
- White polo t-shirt
- Black trousers/skirt
- Black shoes/trainers
- Green check summer school uniform

PE kit:

- Green t-shirt
- Black joggers/shorts
- Daps/trainers

Please name everything!

What else does your child need in Year 1?

- Water bottle (with only water)
- Wellies and waterproofs
- Bookbag or folder containing your child's reading book and record (every day)
- Spelling folder (every Friday)

Please name everything!

PE

- At least 1 session a week

Please help to support your child's independence by giving them opportunities to dress themselves at home- this will help with a quick change for PE in school.

All uniform will stay in school. PE kits will go home at the end of every term.

Please name everything!

Badbury Park Primary

Our Vision

We want happy, engaged learners within a beautiful, authentic learning space that is calm and consistent. We use natural, versatile, open ended resources that are carefully chosen to provoke creativity, wonder and concentration both inside and outside. We want an environment where children are confident to risk take and problem solve whilst learning both knowledge and skills and where the natural world takes center stage.

Nurturing and enrichment

We are aware that children will continue to need lots of nurture and wellbeing work and we have planned our curriculum around this. Interventions to help any children will be put in place once we get to know your children. Wellbeing and feeling safe and secure are our primary goals because without that, the learning won't take place.

Our School Day

8.45 Your child's teacher will lead the class line into the classroom

8:55 Register and Early Morning Activity

9:05 English

10:00 Phonics

10:30 Assembly

10:45 Play time

11:00 Maths

12.00 Lunch

1.00 Circle time

1.30 Whole class learning time (Foundation subjects)

2.45 Big Read

3.00 Home time

Year 1

Being Kind to You and Me

English

We will be...

- Exploring and writing poetry
- Writing character descriptions
- Writing letters
- Learning Year 1 Common Exception Words and phonics

Maths

We will be...

- Learning place value to 10 and then 20
- Adding and subtracting to 10
- Exploring shape
- Exploring pattern

Science

We will be...

- Observing, exploring and understanding animals including humans
- Observing seasonal changes

PE

We will be...

- Dancing
- Learning multi-skills
- Using our bodies when rehearsing and performing our Nativity

We are reading...

Music

We will be...

- Using our voices and instruments to explore sound, rhythm and beat

Forest School

We will be...

- How to be safe in the forest
- Creating natural portraits
- Observing the seasons
- Creating natural paints and paint brushes
- Ensuring we look after our environment

Humanities

History
Personal History
Guy Fawkes
Old and New

Geography
My local area
Maps

Computing

We will be...

- Focusing on internet safety
- Using the internet
- Exploring Beebots and Sphereos

Art/DT

Art

We will be...

- Making self portraits in the style of a famous artist
- Paper crafts including creating a pop-up card.

ESR

Being Kind to You
and Me

PSHE/ RE

- Being Me in My World
- Celebrating Difference
- Special celebrations and symbols that we and others observe

About Year 1...

Up until Christmas- the first term of Year 1- the children will make a gradual transition over to the National Curriculum. Children who didn't meet all their Early Learning Goals will continue to explore these in preparation for the National Curriculum. There will be a continued focus on independent learning alongside whole class and small group teacher led sessions.

We will be following the Government's framework to assess the children's reading ability in the Phonic Screening Check. This check will take place in the summer term of Year 1.

Writing in Year 1

- Children will be taking part in at least one focused handwriting lesson per week.
- Children will say their words and sentences before writing them.
- They will write in many genres e.g. stories, letters, diaries, fact files.
- We will ask the children to tell us what they have written and to make edits to improve their writing.
- We will be trying hard to form our letters correctly.
- We will leave finger spaces in between words.
- We will use a range of punctuation. Year 1- ! ? . CL (capital letter) Year 2– all of the above, , “ ‘.

We will use our phonics and Tricky Troll words to spell our words.

Reading in Year 1

- The children will talk about the meanings of words and what is happening in the pictures of a story.
- They will join in with poems and hear rhyme.
- They will be predicting what might happen next in a story.
- Children will explain clearly their understanding of what has been read.
- They will retell the story after reading it or by looking at the pictures.
- They will break words they hear into sounds to spell and blend them together to read (segment and blend).
- They will learn new sounds when they are ready with Story Time Phonics and Twinkl Phonics (see website).
- They will recognise many Tricky Troll words.
- By the end of the year, children will have a love of books and read with fluency, being able to compare different types of books.

Maths in Year 1

By the end of the year children are expected to be able to:

- count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number
- count, read and write numbers to 100 in numerals; count in multiples of twos, fives and tens
- given a number, identify one more and one less
- identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least
- read and write numbers from 1 to 20 in numerals and words.

Addition and Subtraction

- read, write and interpret mathematical statements involving addition (+), subtraction (−) and equals (=) signs
- represent and use number bonds and related subtraction facts within 20
- add and subtract one-digit and two-digit numbers to 20, including zero
- solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 = ? - 9$

Continued...

Multiplication and Division

- solve one-step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays with the support of the teacher

Fractions

- recognise, find and name a half as one of two equal parts
- recognise, find and name a quarter as one of four equal parts of an object, shape or quantity.

Measurement

Measure and begin to record the following:

- lengths and heights
- mass/weight
- capacity and volume
- time (hours, minutes, seconds to o'clock and half past)

Properties of Shape

Recognise and name common 2-D and 3-D shapes including:

- 2-D shapes [for example, rectangles (including squares), circles and triangles]
- 3-D shapes [for example, cuboids (including cubes), pyramids and spheres].

Position and Direction

- describe position, direction and movement, including whole, half, quarter and three quarter turns.

Example of ARE Reading.

Government guidance is that a child working at age related expectations should be reading green or orange books by the end of Year 1.

Reading at home is one of the best ways to support your child's learning. At Badbury Park we strive for five.

An important skill is to re-read books. The first time we read to decode, the second time, we read for meaning.

Please look after books!

Phonics

We follow the Story Time Phonics scheme underpinned by Twinkl Phonics. In Year 1, we will rapidly move through recapping all of the sounds learned so far at the beginning of every phonics session and during small group work. Segmenting and blending will still be a focus so that children begin to do this rapidly and automatically to aid with fluent reading.

In phonics, we will be streaming so that those children who still need to revisit some sounds in more depth will have an opportunity to do so during their phonics lesson.

The National Curriculum

We provide a broad and balanced curriculum which includes teaching:

- English- grammar, spellings (including phonics), handwriting, reading and writing
- Maths
- Science
- Design Technology
- Art
- Music
- RE
- PE
- PSHE
- History and Geography

Outdoor Learning and Forest School

In Year 1, children will have ample opportunities for outdoor learning and will be having regular forest school sessions. Our outdoor learning will include cross curricular links with the following:

- Education for social responsibility (ESR)
- Science
- Design Technology
- Art
- Geography
- English
- Maths

Assessments, parents evenings and learning journeys

- Phonics Screening Check in the Summer Term
- Parents evenings x2 and termly 'book looks'
- Termly report cards
- End of year report assessed against the expectations for Year 1

We will also complete ongoing assessments to inform our planning. This may include things like live marking, show of whiteboards, questions and quizzes.

“How was your day?” “Fine!”

- Please remember that your child is at the beginning of their journey in education - it is important to listen to children and start a dialogue about their days away from you.
- If we listen to the small stuff now, which to them can often feel like big stuff, when they are older children and it really is big stuff, they have built up a trusting relationship with you and will be in the habit of telling you things that are important to them.

Ideas of questions to ask your children...

- What did your friend tell you that you did not know before?
- Who did you sit next to at lunch?
- Who was the first person you smiled at?
- Who made you laugh?
- What was your favourite moment from today?
- What did you find easy and what did you find hard?

Also be ready to share some of your day too.

If things aren't going so well...

- Please do come and talk to us
In the morning, on the door can be busy, but if it is urgent, please let us or the office know. You can make an appointment through the office. They have access to our diaries and also can pass a message on.
- Please speak to your child's class teacher first, as we work with your child everyday. If the class teacher is not available please speak to Mrs Debono as the KS1 lead.
- If you continue to have concerns you can then, after speaking to the class teacher, speak to Mrs Debono, KS1 lead and assistant head or Mrs Christmas (assistant head for inclusion) and if you still do not feel that the matter is resolved, please speak to Mrs Dance. We have a formal complaints policy on our website.
- Please email, telephone or tell us if there is anything we need to know about your child or any change of circumstances.

What can I do for 15 minutes after picking my child up from year 1 whilst waiting for my child who is in Year 2,3 or 4?

Badbury Book Club

- Please use the time to read with your child. We will offer a welcoming classroom and a staff member to help. Please remember that the trim trail is not open for use. As tempting as it is, the trim trail is not to be used before and after school.
- OR
- You could have a quick trip to the park

Other notices:

First aid:

- We will notify you of a head injury or if we feel your child needs to be collected, as stated in our policy.
- You will receive a message, if your child has been given first aid.

Safeguarding

We aim to promote wellbeing and maintain a safe, secure and caring environment where everyone is treated with respect.

If you have any concerns about a child please report it to **Mrs L Dance** as the designated safeguarding lead. You can also report your concerns to **Mrs Christmas** or **Mr Hanks** if Mrs Dance is not available.
