

Science Overview

Year Group	Term	Topic Content	Forest School
Year 1	Autumn	Animals Including Humans	Seasonal Changes
Year 1	Spring	Basic Structures of common Plants	Basic Structures of common Plants
Year 1	Summer	Properties of Materials	
Year 2	Autumn	Habitats Including Food Chains	
Year 2	Spring	Uses of Everyday Materials	
Year 2	Summer	Plants and Growing	Plants and Growing
Year 3	Autumn	Forces and Magnets Properties of Rocks, Soils, Fossils	
Year 3	Spring	Light and Shadows	
Year 3	Summer	Function of Plants Animals including Humans	Function of Plants Classification of Living Things
Year 4	Autumn	Classification of Living Things	
Year 4	Spring	The Uses of Electricity Life Cycles	Life Cycles
Year 4	Summer	Sources of Sound Human Digestion	
Year 5	Autumn	States of Matter and Change	States of Matter and Change
Year 5	Spring	Properties and changes of Materials	
Year 5	Summer	Earth, Space and Forces	
Year 6	Autumn	Living Things Human Circulatory System	Living Things
Year 6	Spring	Evolution	
Year 6	Summer	Circuits and Light
